**My little Cousin; Viyan, who will be 1 year on the 03rd of September**

I had been waiting for another cousin for seven years. Finally a baby was born. It was a boy - a cute little baby boy. He was born on the 03rd of September 2009. His name is Viyan. I couldn't wait for him to grow. As he began to grow he became cuter. Soon, he was the cutest baby I've ever seen. He is very playful, naught and also a fussy eater. He is always excited when we are around him. He is eleven years younger to me. He has a very sweet smile which attracts everyone around him. I am very proud to be his big cousin.

We all love him. We wish him God's Choicest Blessings for a very Happy Birthday.
