Hall & Partners can trace its origins back to 1917 when Facey commenced trading in Dandenong. In 1956 the company moved to its current office in busy Laonsdale Street.

In 1982 we joined the First National Real Estate group, which gave us the strength and support of 600 offices throughout Australia and New Zealand.

With multiple offices, we have a very strong local presence. Our 14 sales staff all live locally, giving you and your property a huge amount of local knowledge & buyers in the area.
